FOREWORD

THE Roster and Directory was first printed in 1954. Its purpose was to make readily accessible to each member of The Florida Bar not only a roster of its members but other pertinent data concerning The Florida Bar and certain organizations or groups directly involved with the administration of justice.

This second edition in the interests of economy will also be utilized as the official membership list of The Florida Bar furnished to the County Judges and the Clerks of all courts of record in each county in compliance with Section 4, Article VIII of the Integration Rule. The roster section will be supplemented from time to time as corrections and additions are required until the next publication which, under present planning, will hereafter be made annually.

By direction of the Board of Governors, this 1956 Roster and Directory has been compiled by the Executive Director, Kenneth B. Sherouse, Jr. It is another service to the bench and bar of Florida, and we trust that you will find it useful and informative. Your comments and constructive criticism will be gratefully received by the officers of The Florida Bar.

EDITORIAL NOTE

In previous years, the Integration Rule required the headquarters office to "furnish the County Judges and the Clerks of all Courts of Record in each county a list of all active members in good standing in their respective counties as of May 15 of each year and corrections and additions to such list as occasion may require." Copies of this list, known as the "May 15 List," were also required to be filed with the Clerk of the Supreme Court. As a matter of policy, the list also contained the names of all persons *not* in good standing and was furnished to all judges as well.

Under the Integration Rule as amended on 6 December 1955, the provision ordering a list as of May 15th was eliminated so that time would permit publication each summer of a truly *official* Roster, which could be distributed to the clerks and judges as a substitute for the old list and given to the members of The Florida Bar for their use, too. Thus this publication.

The clerks and judges will continue to receive monthly corrections to this Roster, throughout the year, so that they may be notified in a timely manner of the persons permitted to practice law in the State of Florida. The official Roster itself will be published in book form each summer.

Of particular importance is the publication herein of the newly amended Integration Rule *plus* newly adopted and complete By-Laws to the Rule.

The Codes of Ethics and other materials relating to professional conduct are not included because they are available in our recent publication, *Your Privileges and Responsibilities as a Lawyer in Florida.* (Additional copies may be obtained free from The Florida Bar.)

We suggest that a study of the table of contents will indicate to you the manner in which this Roster may be used to find a substantial quantity of valuable information. For example, all addresses are given in the alphabetical roster. Addresses are not furnished for section officers, committee members, and so forth. But they may be determined quickly by turning to the appropriate name in the alphabetical roster. Other useful reference material, some of which is not available elsewhere, may be found in the charts and tables.

Information on the alphabetical roster is correct as of August 10th. The city roster is correct as of July 15th. All of the recent admittees to The Florida Bar who took the oath of admission on 28 May 1956 are included; but some of those who passed the last examination are not listed because they took the oath at a much later date.

We urge you to note and patronize the outstanding advertisers whose support made possible this publication. Most of the Roster advertisers are also regular *Journal* advertisers, and during the year contribute substantially to our extensive printing program.

IF YOU ARE NOT A LAWYER

•
•
•
•

READ THIS:

A lawyer is a specialist in legal matters. A Will is a vital legal document. Don't draw your own Will — that's your lawyer's job. Have him do it, and avoid missteps that might be costly to your family.

Meanwhile, ask our trust officer — a specialist in the business side of estate arrangements — how our services as Executor-Trustee may also work to the advantage of your family.

Integration Rule

of

The Florida Bar*

Pursuant to the inherent powers of the Supreme Court of Florida, the Integration Rule of The Florida Bar is hereby amended to read as follows:

PREAMBLE

To inculcate in its members the principles of duty and service to the public, to improve the administration of justice, and to advance the science of jurisprudence, the following principles are expressly adopted by this Court:

(a) The Florida Bar, a body created by and existing under the authority of this Court, is charged with the maintenance of the highest standards and obligations of the profession of law, and to that end is vested by this Court, in the exercise of its inherent powers over The Florida Bar as an official arm of this Court, with the necessary powers and authority.

(b) Attorneys admitted to practice law in Florida are a part of the judicial system of Florida and officers of its courts.

(c) Persons of integrity and good character only shall be permitted to practice law in Florida.

(d) This Court has the inherent power and duty to prescribe the qualifications that shall be required for admission to practice law, to admit suitable persons to practice law, to prescribe standards of conduct for lawyers, to determine what constitutes grounds for the discipline of lawyers, to discipline for cause attorneys admitted to practice law in Florida, and to revoke the license of every lawyer whose unfitness to practice law has been duly established.

(e) All of the members of The Florida Bar have taken an oath to support the Constitution and the laws of this state and of the United States. As officers of the court, they are charged with obedience to these laws, both in and out of court, and with the duty to observe the high standards of the profession. A license to practice law is a proclamation by this Court that the holder is one to whom the public may entrust professional matters. The lawyer must be true to that trust and to his professional relationship to his client, whether such client be a public body or a private individual.

Article I

The name of the body created by this Rule shall be THE FLORIDA BAR.

* As revised and amended by the Supreme Court of Florida on 6 December 1955.

Article II

3. A member of The Florida Bar in good standing may, upon petition to and with the approval of the Board of Governors, resign from The Florida Bar and, thereupon, unless again admitted, shall not practice law in this state. 1. The Board of Governors shall be the governing body of The Florida Bar. The Board shall consist of the President of The Florida Bar, the President-elect, the President of the Junior Bar Section, and representatives elected from the active members of The Florida Bar in each judicial circuit on the basis of one member for each circuit having 300 active members of The Florida Bar, or fraction thereof, and in circuits having more than 300 active members, one for each 300 active members or fraction thereof; with a limit of not more than 3 representatives for any one judicial circuit.

Article VIII

DUES

1. On or before January 1st of each year every active member of The Florida Bar shall pay annual dues to The Florida Bar in such an amount as shall be set at an annual meeting, and shall also file with the Executive Director a statement setting forth his business and residential addresses and any other information that may be required by the Board of Governors, provided that at no annual meeting shall the dues be fixed at more than $15.00 per annum and that for the year 1956 annual dues may be fixed by the Board of Governors in an amount not to exceed $15.00.

2. When any member is in arrears in the payment of dues for one month, the Executive Director shall send written notice by registered or certified mail to such member at his last business address. Within ninety days after the posting of the notice, such member may pay his dues in full, together with a delinquency charge of Five Dollars. Upon failure to make these payments within the ninety-day period, he shall become a delinquent member, entitled to none of the privileges of membership in The Florida Bar, and shall not practice law in this state. He may thereafter reinstate this membership upon petition to and approval by the Board of Governors and the payment of all fees and charges owing by him, including a reinstatement fee of Ten Dollars.

3. Dues shall not be payable until January 1st next following date of admission to The Florida Bar.

4. The annual financial statement shall be published in *The Florida Bar Journal,* and shall also be filed with the Clerk of the Supreme Court.

2. No member of the Board of Governors, and no member or officer of The Florida Bar, other than the Executive Director and the personnel employed in his office, and except as may be authorized pursuant to

Article XI hereof, shall receive compensation, but any such person may, with approval of the Board of Governors, be reimbursed for reasonable expenses incurred in the performance of services for The Florida Bar.

Article X

RULES OF PROFESSIONAL CONDUCT

The Court adopts, as a code of ethics applicable to the members of The Florida Bar, the Canons of Ethics now adopted or that shall hereafter be adopted by the American Bar Association and the Canons of Ethics for Judges and Attorneys promulgated by this Court on January 27, 1941, and the Rules of Conduct adopted on the same date.

Article XI

DISCIPLINE

1. The following principles, among others expressly adopted by this Court, shall govern the conduct of members of The Florida Bar in their capacity as attorneys and shall govern all proceedings for discipline of such members: A license to practice law confers no vested right to the holder thereof, but is a conditional privilege revocable for cause. The primary purpose of discipline of attorneys is the protection of the public, the profession, and the administration of justice, and not the punishment of the person disciplined. It is the obligation of The Florida Bar and individual members thereof to give unlimited cooperation and assistance to this Court and its duly appointed agents in discharging all its functions and duties with respect to discipline and in purging the profession of the unworthy.

2. This Court has heretofore adopted and approved a code of ethics governing judges and attorneys and rules governing the conduct of attorneys in Florida, but does not undertake by such code and rules or by the present rules to promulgate a code governing all causes for discipline. The enumeration here of certain categories of misconduct as constituting grounds for discipline shall not be deemed to be all-inclusive, nor shall the failure to specify any particular act of misconduct be construed as a tolerance thereof by this Court.

The commission by a lawyer of any act contrary to honesty, justice, or good morals, whether the act is committed in the course of his relations as an attorney or otherwise, and whether or not the act is a felony or misdemeanor, constitutes a cause for discipline. If the act constitutes a felony or misdemeanor, conviction thereof in a criminal proceeding is not a condition precedent to discipline.

A final adjudication of misconduct in a disciplinary proceeding by a court of another state in which an attorney has been licensed to practice shall be considered as conclusive proof of such misconduct in a disciplinary proceeding in this state. Conviction of a member of The Florida Bar in any court of this state or of any other state, territory, or of the United States of any crime or offense that is a felony under the laws enforced by such court, shall be conclusive proof of the guilt of the respondent.

The practice of solicitation of professional employment by advertisement, runners, solicitors, investigators, or in any other manner shall con-

stitute ground for discipline. Payment of compensation shall not be a necessary element of proof of solicitation.

Where money or other property has been entrusted to an attorney for a specific purpose, he must apply it to that purpose. He may not avail himself of a counterclaim or setoff for fees against any money or other property of his clients coming into his hands, and a refusal to account for and deliver over such money or property upon demand shall be deemed a conversion. This does not apply to the retention of money or other property upon which the lawyer has a valid lien for his services. Controversies as to the amount of fees shall not be considered a basis for a complaint in a disciplinary proceeding unless it is charged that the amount demanded as fees is extortionate or fraudulent.

3. This Court expressly imposes upon the Board of Governors of The Florida Bar the duty of investigating the conduct of members of the Bar, of filing complaints, of trying the charges against such members, and entering judgments on such charges in accordance with the provisions of this Article. The Board of Governors, subject to and consistent with the provisions of this Article, may, through its by-laws, provide the method and procedure necessary to discharge the duties imposed upon it by this Article.

The Florida Bar is expressly authorized to call upon the accused attorney to make specific and complete disclosure as to all material matters by answer or testimony. Any person, including the accused attorney, who is subpoenaed to appear and give testimony or to produce books, papers, or documents, and refuses to appear or to produce such books, papers, or documents, or who, having duly sworn to testify, refuses to answer any proper question, shall be guilty of contempt of this Court.

The Florida Bar is expressly authorized to reprimand privately or place on probation any accused attorney without further order of this Court.

4. All investigations and the hearings of all disciplinary cases shall be begun, prosecuted, and completed as promptly as the ends of justice will permit. All investigations and hearings shall be informal but thorough, with the objective of ascertaining the truth.

5. Disciplinary Procedure.

(a) *Grievance Committees.*

The Board of Governors shall have authority to appoint one or more Grievance Committees in each judicial circuit. Each Grievence Committee shall consist of not less than three, nor more than five, members of the Bar.

(b) *Investigation of Probable Cause.*

The Board of Governors and its duly appointed committees, including Grievance Committees, shall have power to investigate or cause to be investigated all misconduct by members of The Florida Bar, active or retired, that may be brought to the attention of the Board or such committees for the purpose of determining whether there is probable cause to believe that a member or members have been guilty of misconduct justifying disciplinary action. Such investigating body may initiate investigations at any time and place deemed by it advisable, and it shall have power to summon witnesses, to administer oaths, and to order the production of books, records, or other documentary evidence. Any refusual to comply with

any proper order or direction of the Board of Governors or any such committees shall be reported to a judge of the appropriate Circuit Court for summary action thereon. Unless such investigating body shall determine that there is no such probable cause, it shall give each accused attorney an opportunity to explain or refute the evidence of his alleged misconduct.

If, after completing its investigation, the investigating body shall determine that there is probable cause of misconduct, it shall forthwith file with the Executive Director of The Florida Bar a Report containing its findings and recommendations as to each instance of misconduct, together with supporting papers, proofs, and transcript. Upon receipt thereof, the Executive Director shall forthwith serve a copy of the Report upon the accused attorney.

If the Board of Governors finds from such Report that there is probable cause of misconduct justifying disciplinary action, it shall cause a Complaint in writing to be prepared and filed in the office of the Executive Director of The Florida Bar. The Complaint shall set forth a short and plain statement of the ultimate facts constituting the alleged misconduct, and a copy thereof shall be served upon the accused attorney.

Upon consideration of the Report, the Board of Governors may direct that a further investigation be made by such investigating body, or that no complaint be filed. Each accused attorney shall be notified of the Board's action.

(c) *Hearing.*

The Board of Governors of The Florida Bar shall annually certify to this Court a panel of members of The Florida Bar for the Court's approval to serve as Referees. Referees in disciplinary matters shall be designated by the Board of Governors from this panel as hereinafter provided.

The Board of Governors shall appoint an active member or members of the Bar to present the evidence of the charges to the Referee and to take such other actions in the proceedings as the Board may direct. Where, however, the accused attorney pleads guilty to all charges and does not request an opportunity to present evidence before a Referee, the Board of Governors need not, in its discretion, appoint a Referee and may enter a judgment based upon such plea of guilty.

In every case in which the Board of Governors of The Florida Bar shall direct the filing of a Complaint, it shall appoint a Referee from the approved panel to conduct the hearing on the Complaint. The Referee shall have such powers as are necessary to conduct a proper and speedy hearing of the cause, including the power to take or cause to be taken depositions of witnesses, to issue subpoenas, and to compel the attendance of witnesses. Any refusal to comply with any proper order or direction of the Referee shall be reported to the judge or judges of the appropriate Circuit Court for summary action thereon. The only pleadings permissible are the Complaint, the answer thereto and motions challenging the sufficiency of the Complaint or the jurisdiction of the forum. They shall be reviewed by this Court only after final judgment.

Any person bringing the charges, in person or by his attorney, or both in person and by his attorney, may be present at all hearings conducted by the Referee.

The hearing shall be held in the county in Florida in which the

accused attorney last resided or practiced, or in which the alleged offense was committed, and reasonable notice of the time and place of the hearing, not to be less than twenty days, shall be given to the accused attorney.

The Referee shall submit to the Board of Governors his Report, which shall include his findings of fact and his recommendations, together with a transcript of evidence taken.

(d) *Review and Judgment.*

Upon receipt of the Report of the Referee, the Board of Governors shall have authority to dismiss the Complaint, to remand the cause for further testimony, to administer a private reprimand to the accused attorney in a proper case, to place such attorney upon probation, or to file its judgment and the record with the Clerk of this Court. The review of the Board of Governors shall be based upon the record, and the Board shall hold a hearing on questions arising from the record. When the Board of Governors adjudges that an attorney be disbarred, suspended, publicly reprimanded, or disciplined (other than by private reprimand or by being placed on probation), it shall immediately file a certified copy of its judgment with the Clerk of this Court, together with a transcript of the evidence and the other proceedings in the cause.

(e) *Petition for Appellate Review.*

Upon such filing, the Clerk shall immediately serve a copy of the Board's judgment upon the accused attorney. Within thirty days after the filing thereof (or within such shorter time as the Court may determine), any person so adjudged to be disbarred, suspended, or disciplined, may petition the Court to review such judgment and to reverse or modify it, and, upon such review, the burden shall be upon the petitioner to show wherein such judgment is erroneous, unlawful, or unjustified. If no petition for review is filed within the prescribed time, the judgment of the Board of Governors shall become the judgment of this Court. If, upon review, the judgment of the Board of Governors is approved, disapproved, or modified, an appropriate order shall be made by this Court.

When a petition for review shall be filed in this Court, the accused attorney may appear in person or by his attorney, and The Florida Bar shall be represented by a member or members of the Bar appointed by the Board of Governors. The cause shall be heard by this Court on briefs or oral argument, or both, as it may determine.

(f) *Expenses and Costs.*

The Board of Governors shall have the authority to defray all necessary expenses incurred in conducting investigations and hearings under this Article, including the traveling expenses and reasonable compensation of the Referee.

In the event the accused attorney is found guilty of any of the charges made, costs may be awarded against him by this Court.

(g) *Service upon Accused Attorney.*

Whenever under the provisions of this Article service of any paper or papers is required to be made upon an accused attorney, such service may be effected personally or by mailing a copy of such paper or papers by registered mail to such attorney at his last-known address according to the records in the office of The Florida Bar.

(h) *Proceedings Confidential.*

Unless otherwise requested by the accused attorney, investigations and hearings shall not be made public until the judgment of the Board of Governors is filed in this Court.

(i) *Reinstatement.*

This Court expressly imposes upon the Board of Governors the duty of investigating the matters involved in any petition for reinstatement that may be filed after disbarment or suspension, and of making recommendations to this Court concerning such petition. The Board of Governors, subject to and consistent with the provisions of this Article, may, through its By-Laws, provide the method and procedure necessary to discharge the duties imposed upon it by this Article.

A petition for reinstatement after disbarment or suspension shall be addressed to the Board of Governors in writing, shall be verified by the petitioner, and shall be filed in duplicate with the Executive Director of The Florida Bar. It shall set forth the age, residence, and address of the petitioner, the offense or misconduct upon which the disbarment or suspension was based, a concise statement of the facts claimed to justify reinstatement, and the name and address of any complainant in the original proceedings. One copy of the petition shall be promptly filed by the Executive Director with the Clerk of this Court.

The Board of Governors or its duly appointed committees, including Grievance Committees, shall promptly investigate the matters alleged in the petition. The Board of Governors and such committees are authorized to take evidence on reasonable notice to the petitioner, in opposition to allegations in said petition or pertinent to the consideration of said petition. The Board shall make recommendations concerning the petition and shall file with the Clerk of this Court a certified copy of its recommendations, together with a transcript of the evidence and the other proceedings in the cause. Upon such filing, the Clerk shall immediately serve a copy of the Board's recommendations upon the petitioner. Within thirty days after the filing thereof (or within such shorter time as this Court may determine), the petitioner may petition this Court to review said recommendations and to deny or modify them, and upon such review the burden shall be upon the petitioner to show wherein such recommendations are erroneous, unlawful, or unjustified. If no petition for review is filed within the prescribed time, the recommendations of the Board of Governors may be approved and, in that event, an appropriate order shall be made by this Court. If, upon review, the recommendations of the Board of Governors are approved, denied, or modified, an appropriate order shall likewise be made by this Court.

No oral argument shall be heard on a petition to review the Board's recommendations, except upon special order of this Court. If oral argument is ordered, the petitioner may appear in person or by his attorney, and The Florida Bar shall be represented by a member or members of the Bar appointed by the Board of Governors.

No petition for reinstatement shall be filed within one year following an adverse decision of this Court upon a formal petition for reinstatement filed by or on behalf of the same person.

No petition for reinstatement shall be considered unless such petition shall be accompanied by proof that all costs assessed against the disciplined attorney in the prior disciplinary proceedings against him have

been secured. An unsuccessful petitioner in reinstatement proceedings shall pay the costs thereof.

6. Nothing in this Integration Rule shall be construed as limiting or altering the power of the Circuit Court or any other court of Florida to discipline attorneys as that power may now or hereafter exist. In all such proceedings the judges of such court shall cause to be filed with the Clerk of the Supreme Court two copies of all final judgments rendered, and the Clerk will furnish one copy to the Executive Director of The Florida Bar for filing in its records. The expense of making and filing such copies shall be paid by the Board of Governors of The Florida Bar.

Article XII

THE FLORIDA BAR FOUNDATION

The Board of Governors of The Florida Bar may establish *The Florida Bar Foundation,* with such organization, purposes and powers as this Court may approve.

Article XIII

AMENDMENTS

Petitions for revision of, or amendments to, this Rule will be entertained by the Supreme Court when presented by the Board of Governors or by not less than twenty-five active members of The Florida Bar. Notice of the filing of the petition shall be published in an issue of *The Florida Bar Journal,* not less than twenty days prior to the hearing on any such petition.

The Board of Governors shall be charged with the duty and responsibility of enforcing and carrying into effect the provisions of the Integration Rule, and the accomplishment of the aims and purposes of The Florida Bar. The Board of Governors shall direct the manner in which all funds of The Florida Bar are disbursed and the purposes therefor, and shall adopt and approve a budget for each fiscal year. The Board of Governors shall perform all other duties imposed under the Integration Rule and shall have full power to exercise such functions as may be necessary, expedient or incidental to the full exercise of any powers bestowed upon it by the Integration Rule or any amendment thereto or by these By-Laws.

Section 2. NOMINATION. Nominations for the election of representatives on the Board of Governors from each judicial circuit in accordance with the provisions of Article III of the Integation Rule, as amended, shall be made by written petition signed by not less than five active members of The Florida Bar in good standing. Any number of candidates may be nominated on a single petition, and any number of petitions may be filed, but all candidates named in a petition and all members signing such petition shall be residents of the judicial circuit which the candidate is nominated to represent, and shall be active members of The Florida Bar in good standing. Nominees shall endorse their written acceptance on such petitions. All nominating petitions shall be filed with the Executive Director at the headquarters office, or shall be postmarked, prior to February 15. The records of the Executive Director shall be conclusive in determining the members entitled to receive such ballots. The names of candidates on the ballots shall be listed alphabetically. The ballots shall be mailed on or before March 1, and voted ballots shall be filed with the Executive Director or postmarked prior to midnight on March 15. Ballots not filed or postmarked within such period of time shall not be counted or tabulated. Immediately after March 15, the Executive Director and the Clerk of the Supreme Court of Florida shall canvass and tabulate the ballots received and certify the results of the election. Failure to make a nomination shall result in a vacancy to be filled in accordance with the provisions of Section 2 of Article III of the Integration Rule as amended. Candidates receiving the highest number of votes cast shall be declared elected. In the event that only one candidate has been nominated for a particular place on the Board of Governors in any judicial circuit, such candidate shall be declared elected. Such special grievance committees or special investigators shall conduct investigations under the control, direction and supervision of the Board of Governors, and shall be vested with such powers, duties and authority as may be delegated by the Board of Governors. Only the President, with the advice and consent of the Board of Governors, shall have the authority to extend invitations to non-members to attend the annual meeting as honored guests or speakers at the expense of The Florida Bar. no person shall speak for more than ten minutes or more than twice on any matter, except upon consent of a majority of the active members present and voting at the meeting. No legislative matter shall be recommended, approved, disapproved or endorsed by The Florida Bar unless such action is initiated by a written report and recommendation of a committee and approved by a majority vote of the active members present at the meeting; or, legislative matters may be recommended, approved, disapproved, or endorsed on behalf of The Florida Bar at any time by two-thirds vote of the entire Board of Governors, and during the time when the Legislature is in session the Executive Committee may act upon pending or proposed legislation. Such annual dues shall be paid by every person admitted to practice law in Florida, except retired members, former members under disciplinary conviction and sentence, members adjudged insane or mentally incompetent, and members who have resigned pursuant to the provisions of Section 3 of Article II of the Integration Rule as amended. No person failing to make payment of his annual dues in compliance with Article VIII of the Integration Rule as amended shall engage in the practice of law, or be entitled to receive any of the privileges and benefits accorded to active members of The Florida Bar. Failure to receive notice or demand of payment of dues shall not relieve any person of the duty to comply with the requirements of the Integration Rule. The Executive Director shall issue to each member making payment of his dues an official membership card certifying that such member has paid annual dues for the current year, which membership card shall be evidence that the person named therein is an active member of The Florida Bar in good standing.

Section 2. DELINQUENT MEMBERS. Upon expiration of the time fixed by Article VIII of the Integration Rule as amended, the Executive Director shall compile a list of all persons who have become delinquent members, as defined by Section 3 of Article II of these By-Laws, and

RULES OF DISCIPLINARY PROCEDURE

Circuit Grievance Committee

1. *Organization.* Every member of a Grievance Committee shall take an oath of office. Unless appointed by the Board of Governors, a chairman, a vice-chairman, and a secretary shall be elected by each Grievance Committee.

2. *Changes in Committees; Continuing Power.* Notwithstanding changes which may be made by the Board of Governors in the number or personnel of members of a committee, the committee as theretofore constituted shall have jurisdiction and power to proceed in all preliminary investigations and formal hearings commenced prior to such changes.

3. *Meetings; Quorum.* Meetings of a committee may be held at such place and at such time as may be fixed by the committee. Meetings may also be held at the call of the chairman or vice-chairman. Notice of the time and place of all meetings shall be given at least one day prior thereto.

A majority of a committee constitutes a quorum for the transaction of business.

4. *Quarterly Reports.* Unless otherwise ordered by the Board of Governors, each committee shall, not later than the tenth day of each quarter, prepare and file with the Board of Governors a report, in accordance with and upon forms authorized by the Board of Governors, setting

forth the status of all preliminary investigations and formal proceedings pending before the committee, the progress thereof during the preceding quarter, the disposition of all matters concluded by the committee during such period, and expenses incurred and paid.

Each such report shall indicate any charge against or conviction of a member of The Florida Bar of a felony or of a misdemeanor involving moral turpitude had within the circuit since the last report; and also a statement concerning any disciplinary proceedings against a member of The Florida Bar had in any court within the circuit since the last report.

Disciplinary Proceedings

a. General Provisions

5. *Confidential Nature of Hearings and Records.* All disciplinary proceedings prior to the filing of the judgment of the Board of Governors as set forth in Rule 35 hereunder shall be confidential unless otherwise requested by the accused attorney.

Except when ordered by the Board of Governors, and except as provided in Rule 6 hereof, no information concerning the pendency or status of a preliminary investigation or formal proceeding shall be given unless and until a judgment of the Board of Governors is filed with the Clerk of the Supreme Court, except to members of the Board of Governors, officers of The Florida Bar and their assistants, the members of the circuit Grievance Committee hearing the matter, a member of The Florida Bar representing the Bar, the accused attorney, and his counsel.

The files and records of all preliminary investigations and formal proceedings are the property of the Bar and are confidential except as in these Rules otherwise provided.

Upon request, the accused attorney and his counsel are entitled in a preliminary investigation to be apprised, at the time of or subsequent to the giving of the notice to the accused attorney provided for by Rule 17, of the nature of the charges which are the subject of the investigation and to be apprised of any determination by the committee that no complaint should be filed and, in a formal proceeding, to a reasonable opportunity to inspect any pleadings, transcript, exhibits and the findings, conclusions, and recommendation reported to the Board of Governors by the Referee in accordance with Rule 30.

6. *Complaining Witness May Be Advised.* Upon request, the complaining witness may be advised by the Executive Director, or the chairman or secretary of the appropriate committee, of the status of a preliminary investigation or formal proceeding.

7. *Place of Investigation and Hearing.* The preliminary investigation, provided for in these Rules, of any alleged misconduct by a member of The Florida Bar, and the hearing upon any notice of preliminary investigation which is issued, shall be conducted in the county of the residence of the accused attorney, or in the county where he maintains his principal office for the practice of law, or in the county where the offense is alleged to have been committed. If the alleged offense was not committed in, and the accused attorney neither resides nor maintains his principal office for the practice of law in, the State of Florida, the preliminary investigation and any proceeding upon a notice of preliminary investigation shall be conducted in such county or counties of the State as shall be designated by the Board of Governors.

8. *Assignment and Transfer.* The Board of Governors may transfer a preliminary investigation pending before a committee in one circuit to a committee in another circuit having jurisdiction, or to a special committee appointed by the Board of Governors.

9. *Administration of Oaths by Member of Committee.* Any member of a Grievance Committee has power to administer oaths and affirmations to witnesses and to other persons in any matter within the jurisdiction of the committee.

10. *Depositions.* Depositions may be taken and used in formal proceedings and, upon the order of the committee, in preliminary investigations, in the same manner, as far as applicable, as in civil cases.

11. *Challenges and Disqualification.* No member of a committee or Referee, if challenged before the commencement of a preliminary investigation, or the commencement of a reinstatement hearing, before the introduction of evidence upon a formal hearing, shall act as a member of the committee or as Referee in any such investigation or hearing if he would be disqualified as a Referee upon any of the grounds specified in Sections 38.01-38.10, Florida Statutes. The committee or Referee shall pass upon the challenge. No committee shall conduct a preliminary investigation in which one of its members is the accused attorney.

12. *Who may Not Act as Referee or Appear for Accused Attorney.* No member or former member of the Board of Governors or of the State Board of Bar Examiners, and no employee or former employee of The Florida Bar, shall represent any accused attorney in any preliminary investigation, formal proceeding, or reinstatement hearing in any appearance before a committee of The Florida Bar, the Board of Governors, or the State Board of Bar Examiners, or act as a Referee in any such investigation or proceeding, until at least one annual meeting of The Florida Bar shall have been held subsequent to the date of the expiration of the term for which he was appointed or elected or subsequent to the date of the termination of his employment; nor shall any member or former member of any Grievance Committee represent an accused attorney in any such proceedings during the term for which he was appointed and for six months thereafter, nor, in any case, in any such proceeding heard or partially heard before him.

13. *Effect of Incompetence of Accused Attorney.* No preliminary investigation shall be conducted or any formal proceeding instituted against a member of The Florida Bar who has been judicially declared to be of unsound mind or incapable of conducting his own affairs until a judicial determination has been made that he is of sound mind or capable of conducting his own affairs. Any preliminary investigation or formal proceeding instituted against a member of The Florida Bar who, during the pendency thereof, is judicially declared to be of unsound mind or incapable of handling his own affairs shall be abated until a judicial determination has been made that he is of sound mind or capable of conducting his own affairs.

14. *Effect of Military Service.* No notice of preliminary investigation shall issue or any hearing be held on any notice of preliminary investigation theretofore issued, when the accused attorney is in active "military service" as that term is defined under the provisions of the 1940 Soldiers' and Sailors' Civil Relief Act, and amendments thereto, except at the request of the accused attorney or on the order of the Board of Governors. Nothing herein

contained shall prevent the making of findings of fact or recommendation by a Grievence Committee when the case has been submitted prior to the accused attorney's entry into active military service.

15. *Effect of Unwillingness of Complaining Witness and Pendency of Litigation or Criminal Action.* A complaining witness shall assist in the conduct of the preliminary investigation and shall, upon request, in a preliminary investigation or formal proceeding, furnish the committee or Referee with all documents and other evidence in his possession and the names and addresses of witnesses, and shall otherwise assist the committee or Referee in securing evidence in support of the charges made. However, neither unwillingness nor neglect of the complaining witness so to do, nor settlement, compromise, nor restitution, excuses a committee or Referee from undertaking or completing a preliminary investigation or a formal proceeding.

A committee or Referee is not excused from undertaking or completing a preliminary investigation or a formal proceeding merely because the accused attorney is, or during the course of the preliminary investigation or formal proceeding becomes, a party to civil litigation, or is, or during the course of the preliminary investigation or formal proceeding becomes, a defendant or is acquitted in a criminal action, either of which involves the subject matter of such preliminary investigation or formal proceeding. Provided, however, that under the foregoing conditions a committee may, with the consent of the Board of Governors, and shall, upon order of the Board of Governors, withhold further action until final determination of such litigation or criminal action or until the further order of the Board of Governors.

b. Preliminary Investigations

16. *Preliminary Investigations; Nature and Initiation.* Before the issuance against a member of The Florida Bar of any complaint, a preliminary investigation shall be made by a committee to determine whether formal proceedings should be instituted and a formal hearing held. The member of the Bar shall be allowed an opportunity to be heard in the course of the preliminary investigation by the committee conducting the investigation.

Such a preliminary investigation may follow the presentation to The Florida Bar or to any Grievance Committee of charges, whether formal or informal, verified or unverified, written or oral.

The Board of Governors or a committee appointed by the Board of Governors may in the absence of any charge and of its own motion order such a preliminary investigation to be conducted and may appoint a member of The Florida Bar acting for the Bar to act therein.

In preliminary investigations the proceedings shall be informal, but thorough, with the object of ascertaining the truth.

17. *Notice of Preliminary Investigation.* Notice to member of The Florida Bar of his opportunity to be heard upon a preliminary investigation shall be given in writing by the chairman or secretary of the committee.

The Grievance Committee shall render a written report to the Board of Governors of the results of such preliminary investigation with recommendations as to whether further disciplinary proceedings should be had against the accused member.

18. *Reporting and Transcribing Informal Proceedings; Use Of Transcript.* The proceedings in the preliminary investigation shall be stenographically reported and a transcript thereof in triplicate shall be attached to the report of the committee if such committee recommends further proceedings.

c. Formal Hearings

19. *Complaint; Issuance, Contents, Service.* If the Board of Governors finds probable cause that the accused member has been guilty of professional misconduct after the hearing on the report of the Grievance Committee, it shall cause a Complaint in writing to be prepared. The Complaint shall set forth a short and plain statement of the ultimate facts constituting the alleged misconduct, and a copy thereof shall be served upon the accused attorney. The original Complaint shall be filed with the Executive Director of The Florida Bar.

20. *Appointment and Duties of Referee in Formal Proceedings.* The Board of Governors shall forthwith appoint a member of The Florida Bar to serve as Referee to try the issues raised by such Complaint and the pleadings subsequent thereto. Such Referee shall not be a member of the Board of Governors or the Grievance Committee involved. The Board of Governors shall also appoint an active member or members of The Florida Bar to prosecute the Complaint on behalf of the Bar. Such member of The Florida Bar representing the Bar shall not be a member of the Board of Governors.

21. *Joinder; Consolidation.* Any number of acts or omissions or transactions alleged to constitute misconduct by a member of The Florida Bar may be set forth in the same Complaint.

A single Complaint may issue directed to two or more members when the alleged misconduct of each of them arises out of the same statement of alleged facts or related statements of alleged facts and when no substantial rights of either of the members will be prejudiced thereby.

In any such case of joinder or consolidation the findings, conclusions, and recommendations of the Referee may, in the discretion of the Referee, be joint or several.

22. *Pleadings.* The only pleadings permissible upon formal proceedings before the Referee are the Complaint, the answer thereto, and motions challenging the sufficiency of the Complaint or the jurisdiction of the forum, which may be made a part of the written answer to the Complaint. The accused attorney shall file his answer or motions within 20 days of the date of the service of a copy of the Complaint upon him.

23. *Procedure in Formal Proceedings; Evidence.* Informality in a Complaint or the answer thereto shall be disregarded. No finding or recommendation of a Referee made in a disciplinary proceeding shall be invalidated, upon review thereof by the Board of Governors, for error in pleading, or in procedure, or upon any other ground, unless upon the whole record, including the evidence, the Board of Governors is of the opinion that error has been committed and has resulted or will result in a miscarriage of justice.

23.1 *Prior Proceedings; Evidence.*

Section 1. Admissible Records. The record in any prior disciplinary proceeding against the same accused attorney, or any pertinent part thereof, is admissible in evidence (a) if, under the rules of relevancy, it tends to

prove any fact at issue in the pending proceedings, or (b) for the purpose of giving aid in determining the degree of discipline to be administered; provided,

(1) Such prior proceeding resulted in the administration of discipline and has become final, or

(2) Such record contains findings of fact made in a formal proceeding of which the accused attorney had notice, or at which he appeared, or

(3) Such record, whether of a preliminary investigation or formal proceeding, contains an admission against interest by the accused attorney.

Section 2. Other Complaints and Charges. Records of complaints or charges not admissible under Section 1 of this Rule shall not be received in evidence on behalf of The Florida Bar; provided, that if the accused attorney shall introduce testimony to the effect that no complaints or charges have been made against him relating to his professional conduct, then the record of any prior complaints or charges may be received in rebuttal.

24. *Amendments to Complaint and Answer.* The Referee, at any time prior to the conclusion of the hearing, or the Board of Governors, at any time prior to the making of its decision, may allow or require amendments to the Complaint or may allow amendments to the answer. The Complaint may be amended to conform to proof or to set forth additional facts, whether occurring before or after the commencement of the hearing. In case such an amendment is made, the accused attorney shall be given reasonable time to answer the amendment and to prepare his defense against the misconduct charged thereby.

25. *Service of Papers.* All papers shall be served in the manner herein provided.

The Complaint shall be served upon the accused attorney personally or via registered mail at his last known address according to the records of The Florida Bar.

Answers to Complaints, or to any amendment thereto, shall be served by delivering, personally or by mail, the original and four copies thereof to the Executive Director of The Florida Bar.

Statements, applicants, and objections permitted by Rule 33, when presented by a member of The Florida Bar representing the Bar, shall be served by delivering a copy to the accused attorney or by mailing a copy to him at his last known address as shown by the records of The Florida Bar; when presented by an accused attorney shall be served by filing the original and three copies in the office of The Florida Bar in Tallahassee.

Papers may be served by any person over the age of eighteen years, except a complaining witness in the proceeding. The affidavit of the person making service is proof of service.

26. *Answer; Appearances.* The filing of a written answer to the Complaint, or to any amendment thereto, is optional with the accused attorney. If written answer is made, an original and four copies thereof shall be served and delivered in accordance with Rule 25 of these Rules within 20 days from the service of a copy of the Complaint. For good cause shown, the Referee may extend the time for filing an answer to the Complaint, but

such an extension of time shall not excuse the accused attorney from appearing before the Referee at the time fixed in the notice of hearing.

The Referee shall serve notice of the time of hearing upon the issues in writing upon the member of The Florida Bar representing the Bar and the accused attorney by registered mail at least 10 days before the date of the hearing. If the accused attorney fails to appear at the time fixed, the Referee shall proceed with the hearing whether or not an answer has been filed and the accused attorney shall not be entitled to further notice. Failure of the accused attorney to appear at the hearing shall not, standing alone, be taken as an admission of the truth of the facts alleged to constitute the misconduct, but testimony shall be taken thereon; provided, however, that the failure of the accused attorney to testify in his own behalf may be considered in determining the issues involved, unless it appears that such failure on the part of the accused attorney was due to circumstances beyond his control.

27. *Contents of Written Answer.* The written answer to the Complaint shall contain the title of the proceeding, an address to which all further notices to the accused attorney in relation to the proceedings may be sent, an admission or denial or explanation of the allegations set forth in the Complaint, and such other matter by way of defense as may be relevant, together with any motion the accused attorney may desire to make challenging the sufficiency of the Complaint or the jurisdiction of the forum.

28. *Hearing; Continuances.* At the time and place fixed in the notice the Referee shall proceed with the hearing, unless for good cause shown the Referee shall continue the same. No continuance shall be for a longer period than thirty days, nor for periods aggregating more than ninety days, without the approval of the Board of Governors.

If no preliminary investigation of such other member has been or is being held, the Referee shall immediately order a preliminary investigation of such other member as provided for in Rule 16, and shall make a reference to such order in his findings. In either event the proceedings against the particular accused attorney on hearing shall continue in accordance with these Rules without abatement.

BY-LAWS
of the
JUNIOR BAR SECTION*

Article I

OBJECTS

The Junior Bar Section of The Florida Bar is formed for the purpose of fostering discussion and interchange of ideas relative to the duties, responsibilities and problems of the younger members of the legal profession, aiding and promoting their advancement, encouraging their interest and participation in the activities of The Florida Bar and in general to further the purposes and objects of The Florida Bar.

Article II

MEMBERSHIP

All members of The Florida Bar who have not yet reached the age of thirty-six shall be enrolled as members of the Junior Bar Section; provided, however, that any member who shall reach the age of 36 years shall be entitled to the rights of privileges of membership for the remainder of the fiscal year in which his 36th birthday occurs.

Article III

OFFICERS

The officers of the Bar shall be a President, a President-elect and a Secretary-Treasurer.

A President-elect, a Secretary and a Treasurer shall be elected by the members of the Junior Bar Section of The Florida Bar at its annual meeting to be held in 1953. Such officers shall take office at the conclusion of said meeting and shall hold office until the 1954 annual meeting. At the conclusion of the 1954 annual meeting, and at the conclusion of all future annual meetings of the Bar, the President-elect shall take office as President; provided, however, that the Vice-President elected at the annual meeting in 1952 shall, upon adoption of these regulations by the Junior Bar Section and approval by the Board of Governors of The Florida Bar, become President-elect and shall succeed to the office of President at the termination of the annual meeting held in 1953.

A President-elect, a Secretary and a Treasurer shall be elected at the annual meeting held in 1953 and at each annual meeting thereafter.

In the event the President is absent or unable to act, his duties shall be performed by the President-elect, and in the absence of the President and President-elect such duties shall be performed by the Secretary, and in the absence of all of the foregoing officers, by the Treasurer. In the

*Approved by two-thirds vote of members present at annual meeting held June 7, 1952, at Miami Beach, Florida.

event of the death or resignation of the President, the President-elect shall become President; and in the event of the death or resignation of the President and President-elect, the Secretary shall become President, and in the event of the death or resignation of all of the foregoing officers, the Treasurer shall become President.

No active member of the Bar shall be ineligible for election to any of the foregoing offices by reason of the fact that as a representative or representative-elect from a judical circuit he is a member or member-elect of the Board of Governors; but anyone elected to any such office shall be entitled to cast only one vote on matters of business coming before the Board for consideration.

Article IV

ELECTION OF OFFICERS

All officers shall be elected at the annual meeting of the Junior Bar Section and shall hold office until the adjournment of the next annual meeting of the Junior Bar Section and until their successors are elected and qualified. The same person shall not serve as President for two successive years except that a President-elect who serves the unexpired term of a President shall be entitled to serve as President during the term for which he was elected. A majority of the votes cast at such annual meeting shall be necessary to the election of all officers and such vote shall in all cases be by written ballot.

The Nominating Committee shall consist of the President, who shall act as Chairman, but shall have no vote on the Committee, and one member from each of the judicial circuits as hereafter provided.

Prior to the convening of the annual meeting of The Florida Bar, the members in each of the judicial circuits shall elect one of their number a member of the Nominating Committee of the Junior Bar Section and written notice of such election shall be given the President by the member of the Board of Governors from each of such circuits prior to the convening of the such annual meeting.

Upon the convening of the annual meeting of The Florida Bar it shall be the President's duty to appoint each person so elected by the members in each circuit as members of the Nominating Committee; provided, however, that in the event the members in any circuit or circuits shall have failed to elect a member of the Nominating Committee or failed to advise the President thereof as hereinabove provided, then the President shall appoint as such member of the Nominating Committee one member of the Board of Governors from such circuit. In the event any circuit has failed to elect a member of the Nominating Committee or failed to advise the President thereof as hereinabove provided, then the President shall appoint a member of the Junior Bar Section as such member of the Nominating Committee.

Such Nominating Committee shall meet during said annual meeting and it shall be the duty of the President, as Chairman thereof, to notify all the members thereof of the time and place of such meeting or meetings, and shall nominate one or more candidates for each office for the ensuing year. The President shall make a written report of such nominations and certify thereon that the notice of all meetings of said Committee has been given by him as hereinabove provided.

Additional nominations may be made by members of the Section from the floor at the time of the election of officers. All candidates so nominated shall be presented to the Junior Bar Section immediately before the election of such officers.

Article V

PRESIDENT

The President shall preside at all regular meetings of the Section, and shall be a member and Chairman of the Board of Governors. He shall perform such other duties as the Board of Governors may from time to time prescribe.

Article VI

SECRETARY

The Secretary shall be a member of the Board of Governors, and shall keep the record of the proceedings of the Junior Bar Section and of the Board of Governors, keep a roll of the members, attend to correspondence and issue notices of meeting, subject to the control of the Board of Governors, and perform such other duties as these Regulations and the Board of Governors may require.

Article VII

TREASURER

The Treasurer shall be a member of the Board of Governors, and shall account for all funds of the Junior Bar Section. He shall certify to the Executive Director of The Florida Bar for payment of all expenses incurred in behalf of the Junior Bar Section and shall cooperate with the Executive Director of The Florida Bar in matters relating to the fiscal affairs of the Junior Bar Section. The Treasurer, immediately on assuming office, shall, under the direction of the President and Board of Governors, prepare a budget to be submitted to the Board of Governors of The Florida Bar, for its approval.

Article VIII

BOARD OF GOVERNORS

There shall be a Board of Governors of the Junior Bar Section, to be composed of the President, President-elect, Secretary, Treasurer and one or more members from each Judicial Circuit, the number of such members from each circuit to be the same as the number of members that such circuit shall have upon the Board of Governors of The Florida Bar. The members of the Board of Governors shall be elected in the manner as provided for in Article IV, and shall take office immediately upon the adjournment of the annual meeting of the Junior Bar Section following their election.

The members of the Board of Governors from each Judicial Circuit shall be nominated and elected by the active members of the Junior Bar Section residing in such Judicial Circuit, who shall be present and shall vote at the annual meeting. Each elected member shall hold office for two years and until his successor is elected and qualified. The members representing the odd numbered circuits who are first elected under these regulations shall hold office for one year and until their successors are elected and qualified; thereafter, elections in odd numbered circuits shall be held in odd numbered years, and elections in even numbered circuits shall be

held in even numbered years. Any vacancy on the Board of Governors arising in the office of representative from a Judicial Circuit shall be filled by the remaining members of the Board for the unexpired term, from the active membership of such circuit. The members of the Board of Governors elected at the annual meeting in 1952 shall, upon adoption of these Regulations by the Junior Bar Section, and approval by the Board of Governors of The Florida Bar, be deemed to be those first elected under these Regulations and shall serve for the terms hereinabove provided.

The Board of Governors shall have the general management and control of the affairs of the Junior Bar Section, subject to the Rule Integrating The Florida Bar, the By-Laws of The Florida Bar, and these Regulations. The Board of Governors shall assist and cooperate with the officers and committees of The Florida Bar and it may recommend to the President thereof members of the Junior Bar Section to serve upon the various committees of The Florida Bar.

The Board of Governors shall fill by appointment any vacancy occurring in the office of Secretary or Treasurer of the Junior Bar Section and it may designate one of its members to perform temporarily the duties of the Chairman in case of the absence or inability to act of an elected officer.

The Board of Governors shall meet not less than once each quarter during each fiscal year at such time and place as the President may announce; provided that one of such quarterly meetings shall coincide with a regular mid-winter meeting of the Board of Governors of the Florida Bar.

Florida's Trial Courts

INTRODUCTION

The following information was compiled originally at the request of the Judicial Council of Florida. It is published here with the hope that it will be of some value to the Bench, Bar and public of the State of Florida. Errors of commission and omission are the responsibility of Bradford Smith. Dated July 1, 1956. Corrections will be appreciated.

CIRCUIT COURTS — JURISDICTION

The chart does not list numerous items over which Circuit Courts have jurisdiction. Article V, Section II, of the Constitution of Florida, provides that these courts "shall have exclusive original jurisdiction in all cases at law, not cognizable by inferior courts, and in all cases involving the legality of any tax, assessment, or toll; of the action of ejectment and of all actions involving the titles or boundaries of real estate, and of all criminal cases not cognizable by inferior courts; and original jurisdiction of actions of forcible entry and unlawful detainer, and of such other matters as the Legislature may provide. They shall have final appellate jurisdiction in all civil and criminal cases arising in the County Court, or before the County Judge, of all misdemeanors tried in Criminal Courts, of judgments or sentences of any Mayor's Court, and of all cases arising before Justices of the Peace in counties in which there is no County Court; and supervision and appellate jurisdiction of matters arising before County Judges pertaining to their probate jurisdiction, or to the estates and interests of minors, and of such other matters as the Legislature may provide. The Circuit Courts and Judges shall have power to issue writs of mandamus, injunction, quo warranto, certiorari, prohibition, habeas corpus and all writs proper and necessary to the complete exercise of their judisdiction."

COUNTY JUDGE'S COURT — JURISDICTION

Where no County Court has been created, the County Judge's Court has original jurisdiction of the following:

1) All cases at law in which the demand or value or property involved does not exceed $100,

2) Proceedings relating to the forcible entry and unlawful detention of lands and tenements which includes proceedings against delinquent tenants, and

3) The settlement of estates of decedents and minors; to take probate of wills; to order the sale of real estate of minors; to grant letters testamentary, of administration and of guardianship; and to discharge the duties usually pertaining to courts of probate.

Where there is no County Court or Criminal Court of Record, the County Judge's Court also has jurisdiction to try and determine all misdemeanors committeed in the county, and the County Judge has the power of committing magistrate. (Sec. 36.01, F.S., 1953.) Pinellas County is the only exception as the chart will indicate.

JUSTICE OF THE PEACE — JURISDICTION

A Peace Justice's jurisdiction extends only within the boundary of his district. In limited instances he may act outside the district, but generally his jurisdiction does not run throughout a county.

All Peace Justices may exercise the power of a committing magistrate and may also hold inquests of the dead. (Sec. 37.03, F.S., 1953.) In general, they have jurisdiction in cases at law in which the amount involved does not exceed $100, with three exceptions.

1) When the state is a party, except for penalties not exceeding $100;
2) Where the title to or boundaries of real estate come into question; and
3) For false imprisonment, libel, slander, malicious prosecution, criminal conversation or seduction. (Sec. 37.02, F.S., 1953.)

Practically speaking, many Justices of the Peace no longer try any appreciable number of civil cases. Such cases involving $100 or less are now largely brought to Small Claims Court due to simplified procedure.

Criminal jurisdiction varies from county to county depending upon two factors:

1) Other courts in the county, especially a County Court or Criminal Court of Record, and
2) the population of a county. (Sec. 37.01, F.S., 1953.)

The following counties (17) have no Justice of the Peace: Alachua, Bay, DeSoto, Dixie, Franklin, Gilchrist, Gulf, Hamilton, Hardee, Holmes, Lafayette, Lake, Lee, Marion, Okeechobee, Union, and Wakulla.

In some counties, citizens run for and are elected to the office on a "do nothing" ticket. This has the practical effect of abolishing the office.

Where no compensation is listed for Justices of the Peace on the chart, the figures were not on file in the Comptroller's Office.

JUVENILE COURTS — JURISDICTION

An act was passed by the Legislature in 1951, setting up new procedures to cope with increasing juvenile problems. In 59 of the 67 counties the County Judge is the Juvenile Judge. (Sec. 39.01, F.S., 1953.) The other Juvenile Courts and Juvenile and Domestic Relations Courts have separate judges duly elected or appointed. Jurisdictional factors of these eight courts are too numerous to expand here, but the following references are given:
